

DAY of PEACE

We celebrate all that is free and noble in the human spirit.

– Jane Goodall, PhD, DBE, UN Messenger of Peace
Founder - the Jane Goodall Institute

Each year, in support of the **United Nations International Day of Peace**, **Roots & Shoots** members and friends come together to promote peace. All over the world, young people craft **Giant Peace Dove Puppets** from reused materials and fly the Doves in their communities. From the top of **Mount Kilimanjaro** to the low plains of **Kansas**, Peace Doves fly, held high by hopeful hands.

**Together, young people are making peace possible.
Join them.**

DAY of PEACE

For project ideas, Dove-making instructions and more, visit www.rootsandshoots.org/campaigns/dove.

After you fly your Dove, share your photos! Send them to: peacedoves@janegoodall.org.
